Annual Diary Dates 2024-25

Dear Parent/Guardian,

I would like to take this opportunity to extend a warm welcome to all children, parents/carers and families. I am extremely excited about the forthcoming year and hope that together we can support children to aim high and achieve. I know that I can rely on the support and encouragement of parents/carers to ensure children succeed.

I hope that you have all enjoyed the summer break and that children are looking forward to returning to school and celebrating their achievements this year. Please note that the school has had building work completed over the summer holidays and the **school reception is now located at the community entrance**.

In preparation for the year ahead, please find attached a list of school diary dates and events. Please be aware these are provisional dates and may be subject to change; parents/carers shall be informed if any changes arise.
