

Ward Green

News

Autumn 2026

Welcome!

I am delighted to introduce myself, Arthur the proud editor of Ward Green News.

I have wanted to take on this role as I am generally nosey (in a good way) and want to find out about all of the amazing things that are going on in school. In addition to this, I can't wait to find out about the talents of the children at school and share the amazing awards and achievements that they have. I work alongside Ellie, Maria, JJ and Noah.

As a team, we will keep you informed about the exciting events and amazing work that goes on at our fantastic school.

Pupil Leadership Teams

Hear what some of our pupil leaders have had to say about their new roles. We are incredibly lucky to have such wonderful children.

I am a handwriting helper and I love to help others. I have really neat handwriting and know that I can help the younger children.

I am a curriculum leader. I love sorting things out and helping children in need of assistance. I know I will be able to give them good advice.

I am school council leader and I want to make the school a great environment for all children. I can set a good example and show children and grown ups that I can do it!

What has been going on at Ward Green this month?

Sports Leaders attend training by Arthur

On Wednesday 30th September our new Y6 sports leaders attended training at Barnsley Metrodome. They learnt how to be a great sports leader and learnt lots of new games and activities that they can bring back to our playground.

Patrick enjoyed having the opportunity to lead events. He felt nervous at the start but was also filled with excitement. He is going to work on projecting his voice so children can hear him

when he is outside.

Henry had a great day. He was also nervous at the start but as the day went on he became more confident. He enjoyed the skipping games and activities.

Macmillan Coffee Morning

On Friday 25th September, our newly appointed Y6 school councillors supported Miss Upton and Mrs Brooksbank with the coffee morning. They helped to raise an amazing £220! Thank you to those who attended and bought plenty of cake!

School Council Clear Up

Last week, the school council rolled their sleeves up and got busy (and dusty!) They were sweeping, shovelling, weeding and litter picking!

Please help to keep our school site tidy by placing your litter in the bin and keep on the path while you wait to come into school on a morning.

Thank you

Ward Green's Got Talent!

We are very fortunate to have some absolutely amazing children and staff at Ward Green. This section is dedicated to their wonderful work and achievements

Meet Our Amazing Starstruck Dancing Duo by Arthur

Marnie and Raine represented Starstruck Theatre Dance School at a dance competition in Flamingo Land. Both girls impressed the judges and came away with a handful of awards!! Both girls love performing on stage and clearly have a talent. Well done girls!

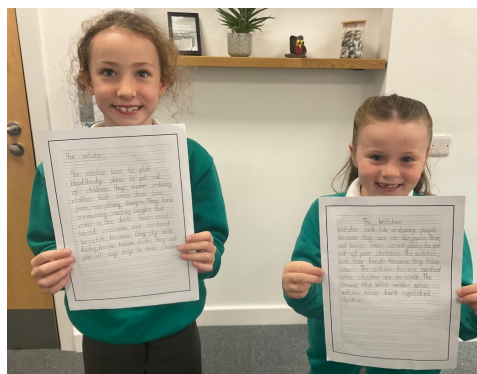

Star shines for JL Dance School by Arthur

Holly has continued to show dedication and determination whilst dancing for JL Dance School. Well done Holly for your achievements—you deserved them.

Stunning Handwriting

A huge shout out to Hallie and Taylor for their amazing presentation and writing. Miss Upton was incredibly impressed!!!

Representing Barnsley FC !

Well done to Charlie and Rene who have been selected to represent Barnsley school girls and boys. They have not only demonstrated great football skills, but more importantly a positive attitude and commitment to all aspects of the game and school.

We wish them well and look forward to following their careers.

Staff in the Spotlight

An interview with Mrs Kilner by Noah and Ellie

What have you enjoyed this week?

Working with my new phonics group. They are all working incredibly hard to get better at reading.

What is the best thing about being a teaching assistant?

Every day is different but always fun. I love working with the children and staff. We are a great team, we work hard but also have lots of fun.

Why did you want to be a teaching assistant?

To help children learn new skills and improve. It is a really important and rewarding job.
